WILMINGTON

Dear Sirs: "PENNSYLVANIA" L.A. Rpt. 3216

It is observed that in the interim between the carrying out of temporary repairs and permanent repairs this vessel undertook a voyage to Hueneme. In such circumstances the proper procedure is for the Surveyors to submit separate reports and you might kindly be guided accordingly in future similar cases.

The contents of your letter of the 16th instant regarding the General Examination and Boiler Survey have been noted and a copy of your communication is going forward with the above mentioned report for the consideration of the Committee.

Yours very truly,

(Signed) James A. Anderson
