

Office of the Surveyor General of the Territory of New Mexico

Blank lined paper with a grid structure, typical of a surveyor's field notebook. The grid is formed by vertical and horizontal lines, creating columns and rows for recording data. There are some faint, illegible markings and a large green stamp in the center of the page.

N.B.—If this Report is copied by Copying Press, especial care must be taken that the copying paper is not so much clamped as to spread the ink, or to cause it to show through to the other side.

THE SURVEYORS ARE REQUESTED NOT TO WRITE ACROSS THE MARGIN.
