S  
Dear Sir,

Reverting to your letter of the 25th ultimo regarding the steamer "ONEIDA", I may say that the Chairman entirely concur in the Glasgow Committee decision to record a notation of "laid up pending repairs" in this case.

The owners state that it has not yet been finally decided whether she will be broken up, and meantime they have no objection to the interim notation appearing in the Register Book.

Yours faithfully,

Clerk to the  
Classification Committee

The Secretary,  
GLASGOW.
