24 October 1918.

Gentlemen

With reference to Mr. Henderson's first entry upon the hull of the "Orinda" in the heading of which it is stated that the vessel is "ketch rigged". I have to state that according to the copy of the official register which I have received it appears she is described as having a "ketch rig only" and no sails.

Under circumstances I shall be glad to hear how this discrepancy arises.

Yours faithfully

John Herbert Brown

Surveyor.

The Surveyors

Leith.
