

B. 5m.1.36.

FREEBOARD REPORT on the

"Baltistan"

It is submitted the Surveyors be requested to state if the forecastle deck is carried straight across the ship 5'-10" abaft the forecastle bulkhead as indicated on page 4 of their report (11), or is recessed as indicated on page 1 of the report. If the latter is the case the Surveyors should report the dimensions of the recess in the overhang.
