

## FREEBOARD REPORT on the

Trawler "Thorn"

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval.

*Electronics Surveyor*

The ~~harbour~~ Office should be advised that in making the computation it has been assumed that the height of the raised quarter deck is 12 inches from wood deck to wood deck but they should confirm this.

The Surveyor should be requested for <sup>this</sup> future guidance. not to write notes on parts of the report from which will later require to be used in making the computation.

The certificate copy should be forwarded for issue when the freeboards have been marked over this, the above height of raised quarter deck has been verified.

The freeboards should be telegraphed to the *Electronics* Surveyor as requested.
