# Lloyd's Register of Shipping.

Port LONDON,

21st August, 1947.

This is to Certify that I have

Surveyed the Boiler <sup>under steam</sup> and Machinery of the Steel Twin Screw Steamer

"THEMISTOCLES", 11230 tons gross of Southampton, as she lay afloat

in the River Blackwater on the 21st August, 1947,

and that I ~~shall~~ have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report stating that all

recommendations made by me in connection therewith have

been carried out to my satisfaction, and that I ~~shall~~ have

Recommended that the record of machinery be continued as at

present classed

be made in the Register Book in the case of this vessel, for a

voyage from the River Blackwater to the River Clyde direct, via

the English and Irish Channels, in ballast condition.

L. I. Mathison.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."

(Cert. B1.)—10m,9,44. (MADE AND PRINTED IN ENGLAND.)
