"PORT LEVEN" "PORT NATAL".

Dear Sir,

With reference to your classing letter of the 28th. Ultio. regarding the above vessels we beg to confirm that additional means are provided for circulating water through the main engines by a connection on the general service pump.

Regarding the Manchester Reports referred to in the above letter, also Manchester Reports Nos. 10717 and 10745 on engines Nos. 3633 and 3636 respectively, we beg to inform you that these six auxiliary engines are now fitted on board the wood trawlers building at Aveiro for the Loch Fishing Co..

The main engines for these vessels have now arrived and are being fitted on board and as the vessels are completed our reports will be forwarded.

We, are, Dear Sir,

Yours faithfully,

The Secretary,

WOKINGHAM.

G. Dixon
