Dear Sir,

With reference to your letter of the 28th. ultimo respecting freeboards assigned to the motorship "OVAL" I beg to enclose my verification of marking form and to inform you that one form has been sent to the Oslo Surveyors.

Following has now been done:-

1. The sills to the doors in the after deckhouse and the engine casing have been increased to 610 mm. in height. ✓

2. Fittings have been provided for lifelines from the deckhouse to the forecastle. ✓

The bearing surface of the hatch beams is in accordance with approved plan dated London 11th September last. ✓

The thickness of the topbar on the hatchbeams is 10 mm. ✓

The doors in the machinery casing and forecattle bulkhead can be closed and secured from both side. ✓

My report on Special Survey and conversion will follow in due course.

I am, Dear Sir,
Yours faithfully

S. A. Vide

Surveyor to Lloyd's Register.
