W998-0138

2 copies of Load Line Report,  
2 copies of computation, copy  
of letter and 3 fbd. certs.  
enclosed.

28th November, 1946.

Dear Sirs,

I have to inform you that Convention freeboards have been computed in the case of the "OVAL" on the basis of the information supplied in Bergen Rpt. C11, two copies of which are sent, together with two copies of the computation, for approval of the assignment by the Norwegian Authorities who should be advised it is considered that this vessel complies with the requirements of the Convention. A set of Load Line Certificates is also sent for issue after approval of the assignment and insertion of the usual details, particulars of which should be sent to this Office. A copy of a letter addressed to the Bergen Surveyor is also enclosed. I shall be glad if you will treat this case as urgent as the vessel is expected to be completed shortly.

The Surveyors,  
OSLO.

Yours faithfully,

pro Secretary.
