Dear Sir,

I beg to inform you that the Motor Trawler "PORT LEVEN" of Hull, No. 12469 in the Register Book is now owned by Alfred Ljone A/S, Vaagsalmenning 8, Bergen. Port of Registry Bergen. Vessel will probably be renamed "CARGO" and will be altered for cargo purposes, and the owner requests to be informed of the approximate freeboard that may be assigned as a cargo vessel.

The gun emplacement will be removed and vessel will be submitted to Special Survey.

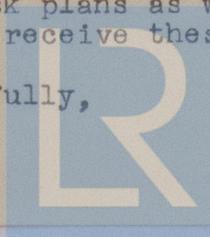

The present forecastle will remain as before and probably one hatchway will be fitted. I have informed the Owner that detailed plans of alterations must be submitted for approval.

The Owner also requests to be informed if the present steering arrangement is approved as there is no hand steering arrangement. He requests also to be furnished with copies of midship section and profile and deck plans as well as pipe arrangement and I shall be glad to receive these at your earliest convenience.

Yours faithfully,

(Sgd).

The Secretary,
LONDON.
