ENCLOSURES.

7th August, 1946.

Dear Sirs,

H.

With reference to your memorandum of the 9th May last relative to the Steamer "R. G. STEWART", I have to point out that a further complete General Examination is now due in this case. It is concluded the vessel is still laid up, and if this is the case the Committee now require that the usual Undertaking be furnished. I therefore enclose the form of Undertaking required which I shall be glad if you will kindly arrange to be completed and returned to this Office in due course. A copy of the form is also enclosed for retention by the Owners if required.

Yours faithfully,

Clerk to the  
Classification Committee.

The Principal Surveyor,  
NEW YORK.
