+ "Elizabeth &amp; Ann" in Survey

Sir

Yours of the May 23<sup>rd</sup> came duly  
to hand, & in reply respecting the Schooner  
"Ann & Elizabeth", I had no way of ascer-  
taining where she was built except by her  
Register, & her name on her stern, Belfast,

The Master Ships right here from home this  
some time, & not yet returned, I was waiting  
to ascertain where the owners resides, there-  
in I would have written before in due time,  
hoping this will answer the purpose.

I remain
