

Wesford Jan'y 19th 1831

Sir

The owner of the "Edward Phelan",
requests me to write a note to say that
he fully expects that his vessel, from the
very great repairs he has given her,
and no longer convenient to hold a specia
al survey on her, hoping she may
be restored to the first Class. & as
she is now a better vessel than ever she was,

Your obedient servant

H. Deane
