Wexford 2<sup>nd</sup> June 1857

Dear Sir -

It was quite an over  
sight of mine in not giving  
the particulars of Breath-Depth  
& size of tree nails, & as to the  
waterways the were put down  
Pileh-pine opposite between  
decks - as the ship had  
no trussman Decks - I regret  
this mistake as the vessel  
is now ready & waiting  
for Certificate -

Your obedient  
servant  
George D. Jeffrey  
Surveyor
