

Wexford 10<sup>th</sup> Aug. 1881

Sir

I beg to return the report on the "Samuel Dixon"  
No. 607. having added a full description of the  
repairs, which I expect will be sufficient to decide  
the Committee in granting the Class A, in Red Saight.  
Yrs, I cannot quote the official number as the  
Customs have not as yet received it from the Board  
of Trade.

Yours &c. &c.
