1st. June. 1900.

Sir,

I duly received your letter of the 29th. ultimo enclosing one from the Owner of the Wood Schooner "K.T.", respecting the hanging knees required to be fitted in this vessel, and with regard thereto I have to request that you will inform the Owner that six pairs of knee riders were required to be fitted on account of the vessel's proportions of depth to length. In consideration, however, of the staple knees which have been fitted the four pairs of knee riders fitted in the vessel will be considered satisfactory, and the additional two pairs will not be insisted upon.

I am, Sir,

Your Obedient Servant,

Secretary.

Mr. R.J. Sparrow,

WEXFORD.
