24 King's Hill,

Arlow,

11th June 1900

Sparrow

Dear Sir
I am in receipt
of your letter with classification
enclosed for the Wood
Schooner K. T. On looking
at it I find that she
is in Book 12 years
on Sept last; this
may sound looks very
large, on reference to
the Reg. of Customs book
such ship appears
be in existence

as she was only Reg.
in June 1900. In all
fairness I think it only
right that her term should
commence same as Reg.
as it looks a monstrous
thing for classification
to commence before she
was built

I am Sir
Yours Resptly
R. Pearson
