Dear Sirs,

Referring to the letter and telegram you received from your London Office, regarding the "GULF OF SUEZ", we have decided that for the present, we shall keep the steamer in Liverpool, and endeavour to sell her. A little later on, <sup>if unsold</sup> we shall send her to the Gareloch to lie up, pending our being able to dispose of her.

Yours truly,

FOR THE ELLERMAN LINES LTD.

Graham Smith

MANAGER.
