Dear Sirs,

Our "GULF OF SUEZ" arrived here yesterday, and it was our intention to lay her up until sold, but, unfortunately, owing to the recent Strike in London, which held up a good many of our vessels, also the Boiler-makers' Strike, and some Strikes abroad, our whole programme has been thrown back, and we are very pressed for a steamer to take a prompt sailing for the near Italian ports. The "GULF OF SUEZ" would just fit in, and get us over our difficulty. We are, therefore, asking you to allow us to send this ship one more short trip to the Mediterranean. It is our intention not to send her beyond Sicily, but bring her straight back here. We shall be very much obliged if you will agree to this.

Yours truly,

FOR THE ELLERMAN LINES LTD.
