

21 DEC 1934

s.s. "MAZORCA"

A letter has been received from Messrs. Glanvill, Enthoven & Co. stating that clients of theirs in Roumania are negotiating for the purchase of this vessel, and have asked them to ascertain why the Society's class was withdrawn and to obtain a copy of the last report of survey.

It is submitted the Writers be informed that, as will be seen from the 1933/4 edition of the Society's Register Book, a record of "In port - damaged 12,33" has been posted, which record automatically expunged all reference to classification.

They should also be informed that it is not the practice of the Committee to furnish any information regarding a vessel, other than that published in the Society's Register Book, without the written consent of the actual Owner of the ship.
