Dear Mr. Smith, m.s. "MAZORCA"

I have to confirm the following cable-grams which have passed between this Office and your goodself, and have to inform you that although consideration was given to the advisability of sending a Surveyor from this Office to survey the vessel in question it has been decided to take no action in this direction at the present moment.

Sent:-

"MAZORCA Urgent wire immediately whether vessel will be available for survey if surveyor leaves here Saturday 24th"

Received:-

"MAZORCA available for survey anytime".

I am,

Yours faithfully,

J. Smith, Esq.,  
ISTANBUL.
