# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

6th February, 1934.

Dear Sir,

R. With reference to the steamer "MAZORCA" which is reported to have arrived at Istanbul on the 13th December having sustained serious damage due to heavy weather, I am directed to say that the Committee will be much obliged if you will kindly favour them with the latest information which you have received as to the extent of damage, etc., and if you will be so good as to say also what course it is intended to pursue as regards the repair of the vessel.

The question of making a record of the circumstances against the vessel's name in the Register Book will shortly come under the Committee's notice, and it is the practice in cases where it is thought necessary to make such a notation, to expunge at the same time the vessel's class from the Register Book. I shall be glad if you will kindly apprise me for the Committee's information of your views on this point.

I am, Dear Sir,  
Yours faithfully,

Jens Bing, Esq.,  
Store Strandgt. 1,  
OSLO, Norway.
