18th. July, 1921.

Dear Sir,

R. B.
With reference to the S.S. "NOUVEAU CONSEIL", which is reported to have stranded five miles South of Torinana on the 20th. ultimo, I am directed to say that the Committee will be much obliged if you will kindly favour them with the latest information you have received as to the prospects of salvage &c.

The question of making a record of casualty against the vessel's name in the Register Book will, in the ordinary course, shortly come under the Committee's notice, and it is the practice in cases where it is thought necessary to make such a notation, to expunge at the same time the vessel's class from the Register Book. I shall be glad if you will kindly apprise me, for the Committee's information, of your views on this point.

I am, Dear Sir,
Yours faithfully,

Jean Stern Esq.,
Societe Les Affreteurs Reunis, Secretary.
15, Rue Scribe,
PARIS.
