Survey due 4th Special Survey No.1 due 11,31.

Proposed to be held at HELSINGFORS.

The Helsingfors Surveyor has cabled this Office asking permission to hold part of the above survey afloat.

*(Bulow)* non exclusive Surveyors have held many special periodical surveys

As the part 4th s.s. No.1 is only to be held afloat, it is submitted the Helsingfors Surveyor might be authorised to undertake the survey without Mr. Bulow being called upon to join. At the same time, however, if it is intended to carry out the survey of the masts, spars and rigging, a competent Mast Examiner should be called in by the Surveyor to assist him in this part of the work.
