Received by Chief Engineer Surveyor

Received from Chief Engineer Surveyor

VESSEL'S NAME *Amel BK* "OLIVEBANK"

Rpt. London No. 97894

The remarks of the Chief Engineer Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/52).

Nature of Survey

~~Donkey boiler~~

The DBS became due in 8,52.

The London Surveyors now report that they have made an examination of the boiler and on account of its wasted condition they recommend it should not be used again.

It is submitted the vessel is eligible to remain as classed without fresh record of Survey as recommended.

SUBJECT to the donkey boiler not being used.

Delete DB Pressure.
