Dear Sirs,

H.

With reference to the survey which became due at the end of May last on the Screw Shaft of the steamer "WESTRALIA", I shall be glad to learn, for the information of the Committee, what arrangements are proposed to be made for this inspection to be held.

At the same time you will be good enough to point out to the Owners that the Annual Boiler Survey will again become due at the end of next month and let me know in due course what steps are proposed to be taken with a view to this inspection being carried out.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

MELBOURNE,

Victoria.
